

## **Hunger Awareness Day | June 5, 2007**

On Tuesday, June 5, 2007 America's Second Harvest of Coastal Georgia joins all domestic hunger relief organizations and thousands of communities nationwide in recognizing Hunger Awareness Day 2007. Second Harvest Food Bank will be holding a forum to educate the community on hunger in our neighborhoods and ways we can assist in ending hunger. We encourage area residents to join us at 10 a.m. on June 5, 2007 to hear local political officials, donors and those who utilize Second Harvest Food Bank advocate on how we can END HUNGER in our community!

### **Guest Speakers**

- Representative Jack Kingston
- Chairman Pete Liakakis
