America's Second Harvest of Coastal Georgia

ABOUT SECOND HARVEST OF COASTAL GEORGIA

Hunger is a real issue in our nation, our state and in Coastal Georgia. There are more than 49 million people in the United States that struggle with food insecurity, nearly 2 million in the state of Georgia and 158,230 right here in Coastal Georgia.

Established in 1981 in Savannah, America's Second Harvest of Coastal Georgia is a locally inspired, volunteer driven nonprofit food bank and community partnering organization. Second Harvest serves as the food safety net for tens of thousands of children, senior citizens, low-income families, and people with disabilities who are at risk for hunger throughout Southern Georgia.

We work diligently to feed the hungry by distributing nutritious food to non-profit agencies and at-risk elderly and youth. Our programs include Brown Bag for the Elderly, Grace's Kitchen, Kids Cafe, Mobile Food Pantry, and Partner Distribution. These

programs are designed to provide hunger relief to those most vulnerable. We partner with 285 faith-based and non-profit agencies to provide emergency food assistance across Coastal Georgia.

Last year, Second Harvest food bank provided more than 10.6 million meals (more than 13.6 million pounds of food) to the food insecure in our area. Support from the community and collaboration with partners make it possible for us to reach many in need right here in our own community.

We urge you to join the fight against local hunger. Hunger Hurts. You can help.

MISSION: END CHILDHOOD HUNGER

When school is out for the summer, some kids may go hungry. But your support through Jewels & Jeans allows Second Harvest to help reverse that.

64% of kids in Chatham County alone qualify for free reduced meals, meaning it's difficult for those kids to find a meal. 16% of people in our community don't know where their next meal is going to come from.

"During the summer months we actually prepare two meals a day. We serve lunch and breakfast, adding up to around 6,000 meals a day. We also provide food through our backpack programs and mobile food pantries. These programs mean the world to a child who may not know where their next meal is coming from."
